PRIOR PROFESSIONAL EXPERIENCE

Art Director and Senior Manager, David Byrne / Todo Mundo Ltd. // 2001–2011

Production company of artist/musician David Byrne

- As senior studio manager, led growth of Todo Mundo Ltd. from an administrative support office to a cross-platform production studio contributing to all facets of multi-media Byrne projects.
- Co-authored multiple art series with David Byrne; co-designed extensive solo, collaborative and Talking Heads releases with Byrne, including books, CDs and DVDs; produced graphics for multi-media projects.
- Projects received major international press coverage in outlets such as the *New York Times*, *Wall Street Journal*, *Time*, *Newsweek*, *Guardian* UK, AP, Reuters, NPR, etc.
- Developed and managed a diverse array of complex projects on a variety of platforms from conception through execution, managing large teams of collaborators in parallel. Responsibilities included strategic project management, scholarly/legal research and consultation, writing and editing, production supervision, business management, licensing, marketing, hiring, press, graphic design.
- Managed office/studio, including hiring and supervising full-time and freelance staff and interns; implemented organizational systems; directed custom database design initiative integrating all facets of extensive multimedia archive; supervised digitization and digital assets management solutions.

Sample Todo Mundo projects and responsibilities:

- *Playing the Building*, a large-scale interactive audio piece, installed in Stockholm, NYC and London: Producer for all aspects, from budget generation, hiring production manager and crew, contract negotiation, publicity, graphics. Winner, 2008 AICA Award for Best Show in a Public Space. Also managed installation and coördination for *This Must be the Place* motion picture filming in Detroit, 2011 (dir. Paolo Sorrentino)
- Collaborative project management and production for book projects and associated exhibitions and events:
 - *Bicycle Diaries* (Penguin, 2009, and multiple international editions): Conceptualization, editing, project management, image research and licensing, planning for multiple bike forum events, international publicity
 - *Envisioning Emotional Epistemological Information*: Directed all aspects of multi-faceted PowerPoint art project: planned and executed art installations in public spaces, festivals, galleries and museums; designed fine art book and DVD (published by Steidl / Pace/MacGill, 2003); coördinated multiple talks and events; managed international press campaign
 - *The New Sins* (McSweeney's, 2001): Production management, press oversight, event planning, direction of multiple public art installations
- *My Life in the Bush of Ghosts* (Byrne/Eno album) reissue: legal research and strategic planning and troubleshooting regarding remix contest licenses; negotiation and project coördination between record label directors, attorneys, artist management, musicians and copyright reform organization

- Designed and managed all aspects (strategic planning, fabrication, production coordination, publicity) of large-scale art installations of diverse media types, including interactive public audio installations in NYC and London; public installation in the Tokyo Yamamoto subway; singing robot at the Reina Sofia museum in Madrid; interactive guitar pedal piece in Japanese gallery; multimedia sculptural chair production for exhibitions; block-long billboard installation on the façade of Saks 5th Avenue NYC; series of creative bike racks installed on NYC sidewalks; public lightbox series for festivals in Reykjavík, Toronto and Sydney; dozens of exhibitions in galleries and museums worldwide
- Webmaster for davidbyrne.com: Conducted site-wide design and improvements; designed, implemented and maintained Radio and Journal sections—both received extensive international press coverage and website traffic increased over 300%; extensive research, editing, and contributions for Journal essays (e.g. net neutrality, web radio royalty); created and maintained interactive section for 08/09 album and international tour, coordinating with music management, booking agents, venues and press
- Extensive design and production for all Byrne art projects and Byrne/Spencer collaborative art projects; design for tour merchandise, advertisements, posters, invitations, website graphics, etc.
- Graphic Design collaborations with David Byrne for releases:
 - *Talking Heads Chronology* DVD/Book (Eagle Rock, 2011)
 - *Here Lies Love: A Song Cycle about Imelda Marcos & Estrella Cumpas* DVD/Book (Todo Mundo / Nonesuch, 2010): 2-DVD package with 100-page book; research and editing of historical essays
